Custom Size Mattress or Foundation Worksheet

Please Note:

Custom Size Mattress Height will be based on the mattress design you choose.

Custom Size Foundation Height can be customized.

Width _____

Length _____

Height _____

Your foundation or mattress should not fit too snug in the frame.

Please Measure your bed frame carefully and record the sizes in whole numbers.

A slightly smaller measurement is preferred rather than fractions of an inch.

Custom Size Mattresses and Foundations are not returnable.

Please contact one of our Retail locations for more assistance in placing your order.
